PREFACE

IN presenting the Sixty-Fifth Annual Edition of the City of Hamilton Directory, we thank the business men and patrons in general for the liberal and enthusiastic support they have given us.

The number of names in the Alphabetical Section is 80,918. Wives' names approximate 31,840 making a grand total of 112,758 names in this section of the Directory.

The Street Directory shows some 42,850 listings including Householders, Firms, Offices, Buildings and Institutions. Our estimate of the population of the City proper is 167,000.

There are a number of persons whose names are in the directory who just live outside the city limits, and others who live in nearby municipalities who are employed in Hamilton, these names approximate 2,750, so the residential and working population of Greater Hamilton is 169,750.
